- 4 Company Picnic
- 5 Haas Employee Buck Contest

Webster School – Building Project

Supporting our Youth at the local fair

Haas Sons has always been a proud supporter of our youth and the showing of animals. It takes a lot of work to get the animals ready for the fair. As you can see in the picture on the left Jack Whitmire (son of Alex Whitmire) is doing an excellent job on showing his fair pig. Jack would like to thank Haas Sons for purchasing his pig at the fair this year.

School is in session drive safely!

Sharing the Road with School Buses. If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing. It is illegal in all 50 states to pass a school bus that is stopped to load or unload children. Never speed in or near a school. Slowdown in residential areas and anywhere there are children walking to school. Most school zones have reduced speeds during school hours.

September Employee Anniversaries

Name	Years of Service
Lowell Heller	25
Chad Fritz	23
Peter Moskiewicz	20
Michael Heller	18
Donald Fritz	17

New Employees

Please welcome Dillon Brandner to our Street Crew Teams.

Please welcome Zachary Neitzke to our Redi-Mix Driver Team.

Please welcome Steven Turner and Daniel Bungartz to our Dump Truck Driver Teams.

Please be sure to say hi and introduce yourself and be sure to help them with any questions they may have. Welcome to the Haas Companies Team!

Outstanding Employee Recognition

Received a thank you letter from a resident that lives on Rosecrans Street in Wausau. Audrey wanted to tell us about a young man named Greg Artac that was working on her street, she is handicapped, and he saw she needed help crossing the street with her groceries. She really appreciated that Greg offered his help without her even asking. Way to go Greg, this is what keeps bringing future work our way. Thank you for the kind gesture.

A resident living on the Lasalle St. in Barron wanted to let everyone know that Brent, Travis, Dan, Dylan & Lucas were very courteous and helpful when they were working on the job. Way to go keep up the great work and being kind to the residents will keep bringin in future business for Haas Inc.

News from Human Resources

Hello everyone,

-Labor Day is the day to remember the efforts of our employees and thank them. I wish you all a very Happy Labor Day. May you be blessed with happiness, health, success, and glory. May you always work with dedication and positivity. Best wishes to you on this special day.

-Stages of change - *exercise routine*

Exercise isn't just about losing weight or being physically fit. It is part of being healthy for life.

Exercise can help you control your weight, lower your blood pressure, improve your mood, relieve stress, boost your energy, and reduce your risk of chronic illness.

We want you to be as healthy as possible, and exercise is one of the best things you can do to maintain or even improve your health.

You might have tried to start an exercise program in the past. But instead of just exercising, let us help you make lifestyle changes in four steps so you can establish an exercise habit for life.

EMPLOYEE APPRECIATION

Haas Employee Buck Contest

Haas Employee Only Buck Contest

The Buck contest is between Haas employees only and will start September 18th through January 31st. Contest is for big buck and small buck. Must be paid in full to Jeremy Schmidt before the 18th of September.

Entry fee is \$20 dollars per person.

You will be able to enter a buck from any kill season bow, gun, muzzleloader and so on.

The buck will be scored by adding the number of legal points with the inside spread. (So, if you have a 6 pointer with a 14.25 inch inside spread it will score as 20.25.) If there is a tie in scores, the tallest G2 will determine the tie breaker.

Small buck will be scored as least amount of points legally possible. so if you get a buck with only spikes the longest spike over 3" will be counted.

You will need to send a pic of your buck to me, Jeremy, showing the measurement of the spread, how many points it has, and the length of the G2.

Payout will be based on number of entries:

Under 20 entries pay out is to 1st place and small buck only.

20+ entries payout will be 1st-3rd place and small buck.

For over 20 entries payout will be 50% of what is in the pot: so, if there are 20 entries with a \$400 pot 1st place will get \$200. 2nd place will get 50% of what is left in pot after 1st place payout which would be \$100. Then 3rd place and small buck will split what left after 1st and 2nd place get paid which would be \$50 each.

For questions or entry, please call or text Jeremy at (608) 548-3806. There is a group messenger started I will be using that group again for this year's contest. If anyone that is in the group now that doesn't want to be feel free to drop out or stay and watch the contest.
