## Athens Parade

Thank you to Bruce Steder and his family, and Joey Blashka from the Wausau plant for entering a few of our trucks in the Athens Parade.

## Supporting our local football team

The Thorp football team stopped by the office and wanted to thank Haas Inc, for all the support throughout the years. The picture to the left shows some of the football team with some of the office staff.

## Haas Team recent Retirement

Let's all congratulate Mike Heller on his recent retirement from our Dump Truck Driver Team. Mike has worked for Haas since 2003. Thank you for all your hard work and dedication to Haas Transport, Inc.

- *You will be missed as a valued member of our team.*
- *Wishing you all the best in the next phase of your life!*

## School is in session drive safely!

Sharing the Road with School Buses. If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing. It is illegal in all 50 states to pass a school bus that is stopped to load or unload children. Never speed in or near a school. Slowdown in residential areas and anywhere there are children walking to school. Most school zones have reduced speeds during school hours.
